## FLOW CONTROL CARAFE

The Flow Control Carafe's uniqueness comes from the ability to control how much liquid is dispensed. Set the gasket wide open for trained wait staff, or just slightly open for self-serve table service. Not only will the coffee or cream last longer, but the controlled pour will also help limit unnecessary spills.

### Features:

- Patented lid design available in regular, decaf, and brew-thru.
- NSF listed design is safe for dairy products
- Constructed from 18/8 stainless steel with vacuum insulation
- Agion® coating suppresses bacteria growth

## PARTY BEVERAGE TUB

No party is complete without our **Double Wall Party Tub**. The large 14.5-inch opening can fit almost an entire case of beer, water or soda. Since it's double walled, you don't have to worry about it sweating in the heat and creating a messy puddle to clean up. Also available is our **Personal Party Tub**. Enjoy a six pack with a friend or two!
