CLEAR TEA DISPENSER

Our **Clear Tea Dispenser** is designed with a clear tank constructed of BPA-free Tritan™ plastic, for glass like clarity and added strength that won't warp in the dishwasher. Unlike other plastics, the container won't stain after multiple uses. The ultra-slim profile is great for showcasing multiple beverages.

- Self-storing container
- Slim profile helps save counter space
- NSF listed
- BPA-free Tritan™ plastic stain resistant container

Airpot Stations

Replacement parts available for each airpot line

Easy-to-use zinc lever or pump lids available

18/8
STAINLESS

0.4mm 18/8 stainless steel exterior for extra durability

Glass or stainless vacuum insulated for high heat retention

Setting up a self-service or behind-the-counter coffee station has never been easier with multiple airpots and accessories available. All of our airpots exteriors are constructed with 18/8 stainless steel, and are vacuum insulated for the highest quality. Our **Signa-Air Airpots** and **Color-Me Stainless Airpots** are NSF listed and two of our most popular airpots that work with a variety of brewers. Available in several finishes and colors.

Our **Modular Condiment Station** and **Airpot Drip Tray** snap together to make a neat and sophisticated display. The condiment station has five different compartments, great for cups, lids, sugar packets, stir sticks, and creamers. It conveniently fits our **S2SN Creamers** perfectly. Tie the whole set together with our NSF listed **Eco-Air® Airpots**, available with either a stainless or glass liner. It's that easy!

Cafe Essentials

Frothing PITCHERS

Our **Frothing Pitchers** come in four different sizes, and are embossed with 6 oz. increments for easy measurement. A hole above the handle allows for a thermometer to rest easily. The 18/8 stainless construction and no-drip lip makes for a quiet steam and easy pour.
